

Small Color Changing LED Globe Light Bulb and Remote

Multi Color LED that is remote controlled. It can display 15 colors and white and comes with an easy to use remote control. This bulb has four programmed modes: 15 colors with 1 second flash between colors, 3 second strobe between colors, fast fade between colors, smooth fade between colors and dimmer. This bulb operates in standard E27 screw-in light bulb socket using from 100 - 240 volts AC. This LED light bulb uses only 3 watts of energy and is comparable to a 10 watt incandescent. This bulb contains NO mercury like compact fluorescent lights and is precision machined and unconditionally guaranteed for one year. Batteries are included in remote control.

Safe Operation: Equips with fuse and flame retardant plastics

-
- **Bulb Shape:** G19 Globe
- **Base Type:** Standard E27 Screw-in Base
- **Replacement For:** 10W multi-color incandescent
- **Color Range:** RGB Full Color
- **Light Source:** 3w Power LED
- **Housing:** Advanced Heat Management Technology
- **Universal Power Voltages:** Operates 100-240V
- **Superior Brightness Performance**
- **Beam Angle:** 220 Degree
- **LED Source Life:** 40,000
- **Lens types:** frosted
- **Diameter:** 2.25in (57.15mm)
- **Length:** 4.35in (110.49mm)
- **Weight:** 5 Ounces
