

PAR38 LED Flood Light 30 SMT – 50 Watt Replacement Bulb

This LED floodlight uses some of the latest technology in LEDs: surface mounting (SMT). 30 high-powered surface mount LEDs offer a very even wide flood. At 500 lumens the natural white option of this light offers similar light to a 50 watt light bulb at only one seventh the energy consumption. The color rendering on this SMT light is perfect for all indoor lighting application.
